2 normally received by other state employees and that is designed to enhance the  
3 employee's ability to perform his or her job. This section establishes eligibility and  
4 related requirements for employee participation in the Commission's TAP.  
5

6 (b) Eligibility. Eligibility requirements for tuition assistance include, but are not limited  
7 to:

- 8
- 9 (1) continuous and full-time employment for one year at the time of application;
  - 10 (2) a recommendation from the employee's supervisor;
  - 11 (3) identification of the relationship of the training to the employee's position or a  
12 prospective role within the Agency;
  - 13 (4) any other factor deemed relevant by the executive director; and
  - 14 (5) coursework or training to be obtained at an accredited institution of higher  
15 education, as required by statute.

16  
17  
18  
19  
20

26 required.
  - 27

29 complete and file with the Commission prior to the commencement of the  
30 training, on forms prescribed by the Commission, an employee training  
31 agreement that sets forth the terms and conditions of the training assistance,  
32 including a provision for working for the Agency for a prescribed period of  
33 time or paying back the amount of the assistance.
  - 34  
35 (3) An employee participating in the TAP must agree in writing, prior to  
36 beginning the coursework or an exam, to a service commitment to the Agency.  
37 An employee who receives reimbursement is obligated to fulfill a six-month  
38 service commitment with the Agency.
  - 39  
40 (4) Employees who do not comply with the length of service requirement must  
41 reimburse the Agency for both the cost of the training activities (prorated to  
42 credit any full calendar month of employment following completion of the  
43 course) and any reasonable expenses the Agency incurs in obtaining  
44 restitution, including reasonable attorney's fees.  
45

- 1 (5) Employees who are unable to comply with the length of service requirement  
2 due to extraordinary circumstances beyond their control may request that the  
3 executive director waive the reimbursement of the cost of training activities.  
4
- 5 (6) Employees approved for the TAP may flex their work schedule with the  
6 approval of their supervisor if there is no negative impact on customers or  
7 work production. Employees cannot use work hours for attending classes,  
8 studying, taking exams, or other activities associated with the coursework or  
9 exams. When such activities fall within an employee's normal work schedule,  
10 the employee must use leave hours to compensate for time away from the job.  
11
- 12 (d) Any information relating to application for and receipt of reimbursement for training  
13 and education for state administrators and employees shall be reported to the  
14 Commission on a quarterly basis.

9 allocation of available funds for workforce training and services from the Texas  
10 Workforce Commission to workforce areas, as well as Texas Labor Code, §301.001  
11 and §302.002, which establish the Texas Workforce Commission to operate an  
12 integrated workforce development system in this state, in particular through the  
13 consolidation of job training, employment, and employment-related programs, and  
14 direct the executive director to consolidate the administrative and programmatic  
15 functions under the authority of the Commission, to achieve efficient and effective

34 of less than a complete program year, the allocated amounts will be negotiated  
35 between the Commission and the Board or an AEL grant recipient, based upon the  
36 remaining months of the program year.  
37
- 38 (d) Subsections (a) - (c) of this section shall apply to all sections contained in this  
39 subchapter unless a section specifically states otherwise.

42 under this subchapter, may be used by the Commission for purposes authorized by  
43 state and federal laws and regulations.  
44

1 (f) Notwithstanding any other provision of the rules contained in this part, the level of  
2 funding allocated to a workforce area may be determined, modified, or reallocated  
3 by the Commission for one or more of the following reasons:

26 of this section.

27  
28 (2) The Commission shall not deobligate more than the difference between an

42  
43 (c) An AEL grant recipient subject to deobligation for failure to meet the requirements

- 4 (e) Subject to subsection (f) of this section, the parties shall complete the negotiations  
5 that are required by this subchapter as a prerequisite to a contractor's request for  
6 contested case hearing no later than 270 days after the Agency receives the  
7 contractor's notice of claim.  
8
- 9 (f) The parties may agree in writing to extend the time for negotiations on or before the  
10 270th day after the Agency receives the contractor's notice of claim. The agreement  
11 shall be signed by representatives of the parties with authority to bind each  
12 respective party and shall provide for the extension of the statutory negotiation  
13 period until a date certain. The parties may enter into a series of written extension  
14 agreements that comply with the requirements of this section.  
15
- 16 (g) The contractor may request a contested case hearing before the State Office of  
17 Administrative Hearings (SOAH) pursuant to §800.492 of this subchapter (relating  
18 to Request for Contested Case Hearing) after the 270th day after the Agency receives  
19 the contractor's notice of claim, or the expiration of any extension agreed to under  
20 subsection (f) of this section.  
21
- 22 (h) The parties may agree to mediate the dispute at any time before the 270th day after  
23 the Agency receives the contractor's notice of claim or before the expiration of any  
24 extension agreed to by the parties pursuant to subsection (f) of this section. The  
25 mediation shall be governed by §§800.471 - 800.473 of this subchapter.  
26
- 27 (i) Nothing in this section is intended to prevent the parties from agreeing to commence  
28 negotiations earlier than the deadlines established in subsections (b) and (c) of this  
29 section, or from continuing or resuming negotiations after the contractor requests a  
30 contested case hearing before SOAH.

36 **§800.463. Conduct of Negotiation.**  
37

- 38
- 39 (a) A negotiation under this subchapter may be conducted by any method, technique, or  
40 procedure authorized under the contract or agreed upon by the parties, including,  
41 without limitation, negotiation in person, by telephone, correspondence, video  
42 conference, or any other method that permits the parties to identify their respective  
43 positions, discuss their respective differences, confer with their respective advisers,  
44 exchange offers of settlement, and settle.  
45

- 1 (b) The parties may conduct negotiations with the assistance of one or more neutral third  
2 parties. If the parties choose to mediate their dispute, the mediation shall be  
3 conducted in accordance with §§800.471 - 800.473 of this subchapter. Parties may  
4 choose other assisted negotiation or mediation processes, including, without  
5 limitation, processes such as those described in §§800.481 and 800.482 of this  
6 subchapter.  
7
- 8 (c) To facilitate the meaningful evaluation and negotiation of the claim(s) and any  
9 counterclaim(s), the parties may exchange relevant documents that support their  
10 respective claims, defenses, counterclaims or positions.  
11
- 12 (d) Material submitted pursuant to this subsection and claimed to be confidential by the  
13 contractor shall be handled pursuant to the requirements of the Public Information  
14 Act.

20 **§800.471. Mediation.**  
21

- 22 (a) Option to Mediate. The parties may agree to mediate the dispute at any time before  
23 the 120th day after the Agency receives the contractor's notice of claim or before the  
24 expiration of any extension agreed to by the parties pursuant to §800.462(f) of this  
25 subchapter. The mediation shall be governed by rules contained in this subchapter.  
26
- 27 (b) Timetable. A contractor and Agency may mediate the dispute even after the case has  
28 been referred to SOAH for a contested case. SOAH may also refer a contested case  
29 for mediation pursuant to its own rules and guidelines, whether or not the parties  
30 have previously attempted mediation.  
31
- 32 (c) Request for Referral. If mediation does not resolve all issues raised by the claim, the  
33 contractor may request that the claim be referred to SOAH by the Agency. Nothing  
34 in these rules prohibits the contractor and the Agency from mediating their dispute  
35 after the case has been referred for contested case hearing, subject to the rules of  
36 SOAH.  
37
- 38 (d) Conduct of Mediation.  
39
- 40 (1) A mediator may not impose his or her own judgment on the issues for that of  
41 the parties. The mediator must be acceptable to both parties.  
42
- 43 (2) The mediation is subject to the provisions of the Governmental Dispute  
44 Resolution Act, Texas Government Code, Chapter 2009. For purposes of this  
45 subchapter, "mediation" is assigned the meaning set forth in the Civil Practice  
46 and Remedies Code, §154.023.

- 1  
2 (3) To facilitate a meaningful opportunity for settlement, the parties shall, to the  
3 extent possible, select representatives who are knowledgeable about the  
4 dispute, who are in a position to reach agreement, or who can credibly  
5 recommend approval of an agreement.

12 **§800.472. Agreement to Mediate.**  
13

- 14 (a) Parties may agree to use mediation as an option to resolve a breach of contract claim  
15 at the time they enter into the contract and include a contractual provision to do so.  
16 The parties may mediate a breach of contract claim even absent a contractual  
17 provision to do so if both parties agree.  
18
- 19 (b) Any agreement to mediate shall include consideration of the following factors:  
20
- 21 (1) The source of the mediator. Potential sources of mediators include  
22 governmental officers or employees who are qualified as mediators under Civil  
23 Practice and Remedies Code, § 154.052, private mediators, SOAH, the Center  
24 for Public Policy Dispute Resolution at The University of Texas at Austin  
25 School of Law, an alternative dispute resolution system created under Civil  
26 Practice and Remedies Code, Chapter 152, or another state or federal agency  
27 or through a pooling agreement with several state agencies. Before naming a  
28 mediator source in a contract, the parties should contact the mediator source to  
29 be sure that it is willing to serve in that capacity. In selecting a mediator, the  
30 parties should use the qualifications set forth in §800.473 of this Subchapter  
31 (relating to Qualifications and Immunity of the Mediator).  
32
- 33 (2) The time period for the mediation. The parties should allow enough time in  
34 which to make arrangements with the mediator and attending parties to  
35 schedule the mediation, to attend and participate in the mediation, and to  
36 complete any settlement approval procedures necessary to achieve final  
37 settlement. While this time frame can vary according to the needs and  
38 schedules of the mediator and parties, it is important that the parties allow  
39 adequate time for the process.  
40
- 41 (3) The location of the mediation.  
42
- 43 (4) Allocation of costs of the mediator.  
44

- 1 (5) The identification of representatives who will attend the mediation on behalf of  
2 the parties, if possible, by name or position within the Agency or contracting  
3 entity.  
4  
5 (6) The settlement approval process in the event the parties reach agreement at the  
6 mediation.

12 **§800.473. Qualifications and Immunity of the Mediator.**  
13

- 14 (a) The mediator shall possess the qualifications required under Civil Practice and  
15 Remedies Code, § 154.052, be subject to the standards and duties prescribed by Civil  
16 Practice and Remedies Code, § 154.053, and have the qualified immunity prescribed  
17 by Civil Practice and Remedies Code, § 154.055, if applicable.  
18  
19 (b) The parties should decide whether, and to what extent, knowledge of the subject  
20 matter and experience in mediation would be advisable for the mediator.  
21  
22 (c) The parties should obtain from the prospective mediator the ethical standards that  
23 will govern the mediation.

29 **§800.481. Other Assisted Negotiation and Mediation Processes.**  
30

- 31 (a) Parties to a contract dispute under Texas Government Code, Chapter 2260 may  
32 agree, either contractually or when a dispute arises, to use other assisted negotiation  
33 and mediation (alternative dispute resolution) processes in addition to negotiation  
34 and mediation to resolve their dispute.  
35  
36 (b) Factors Supporting the Use of Other Assisted Negotiation or Mediation Processes.  
37 The following factors may help parties decide whether one or more of the other  
38 assisted negotiation and mediation processes could help resolve their dispute:  
39  
40 (1) The parties recognize the benefits of an agreed resolution of the dispute;  
41  
42 (2) The expense of proceeding to contested case hearing at SOAH is substantial  
43 and might outweigh any potential recovery;  
44  
45 (3) The parties want an expedited resolution;  
46

- 1 (4) The ultimate outcome is uncertain;
- 2
- 3 (5) There exists factual or technical complexity or uncertainty which would
- 4 benefit from expertise of a third-party expert for technical assistance or fact-
- 5 finding;
- 6
- 7 (6) The parties are having substantial difficulty communicating effectively;
- 8
- 9 (7) A mediator third party could facilitate the parties' realistic evaluation of their
- 10 respective cases;
- 11
- 12 (8) There is an on-going relationship that exists between parties;
- 13
- 14 (9) The parties want to retain control over the outcome;
- 15
- 16 (10) There is a need to develop creative alternatives to resolve the dispute;
- 17
- 18 (11) There is a need for flexibility in shaping relief;
- 19
- 20 (12) The other side has an unrealistic view of the merits of their case; or
- 21
- 22 (13) The parties (or aggrieved persons) need to hear an evaluation of the case from
- 23 someone other than their lawyers.

28  
29 **§800.482. Methods of Other Assisted Negotiation and Mediation Processes.**

- 30
- 31 (a) Methods. The Agency may elect any of the following methods, or a combination of
- 32 these methods, or any assisted negotiation process if agreed to by the parties, in
- 33 seeking resolution of disputes or other controversy arising under Texas Government
- 34 Code, Chapter 2260. If the parties agree to use another assisted negotiation or
- 35 mediation procedure, the parties shall agree in writing to a detailed description of the
- 36 process prior to engaging in the process that may include one or more of the
- 37 following:
- 38
- 39 (1) Mediation as set forth in this subchapter;
- 40
- 41 (2) Early evaluation by a third-party neutral;
- 42
- 43 (3) Neutral fact-finding by an expert; or
- 44
- 45 (4) Mini-trial.
- 46

1 (b) Early evaluation by a third party.

- 2
- 3 (1) This is a confidential conference where the parties and their counsel present
- 4 the factual and legal bases of their claim and receive a non-binding assessment
- 5 by an experienced neutral with subject-matter expertise or with significant
- 6 experience in the substantive area of law involved in the dispute.
- 7
- 8 (2) After summary presentations, the third-party neutral identifies areas of
- 9 agreement for possible stipulations, assesses the strengths and weaknesses of
- 10 each party's position, and estimates, if possible, the likelihood of liability and
- 11 the dollar range of damages that appear reasonable to him or her.
- 12
- 13 (3) This is a less complicated procedure than the mini-trial, described in
- 14 subsection (d) of this section. It may be appropriate for only some issues in
- 15 dispute, for example, where there are clear-cut differences over the appropriate
- 16 amount of damages. This process may be particularly helpful when:
- 17
- 18 (A) The parties agree that the dispute can be settled;
- 19
- 20 (B) The dispute involves specific legal issues;
- 21
- 22 (C) The parties disagree on the amount of damages;
- 23
- 24 (D) The opposition has an unrealistic view of the dispute; or
- 25
- 26 (E) The neutral is a recognized expert in the subject area or area of law
- 27 involved.
- 28

29 (c) Neutral fact-finding by an expert.

- 30
- 31 (1) In this process, a neutral third-party expert studies a particular issue and
- 32 reports findings on that issue. The process usually occurs after most discovery
- 33 in the dispute has been completed and the significance of particular technical
- 34 or scientific issues is apparent.
- 35
- 36 (2) The parties may agree in writing that the fact-finding will be binding on them
- 37 in later proceedings (and entered into as a stipulation in the dispute if the
- 38 matter proceeds to contested case hearing), or that it will be advisory in nature,
- 39 to be used only in further settlement discussions between representatives of the
- 40 parties. This process may be particularly helpful when:
- 41
- 42 (A) Factual issues requiring expert testimony may be dispositive of liability
- 43 or damage issues;
- 44
- 45 (B) The use of a neutral is cost effective; or
- 46

1 (C) The neutral's findings could narrow factual issues for contested case  
2 hearing.  
3

4 (d) Mini-trial.  
5

6 (1) A mini-trial is generally a summary proceeding before a representative of  
7 upper management from each party, with authority to settle, and a third-party  
8 neutral selected by agreement of the parties. A mini-trial is usually divided into  
9 three phases: a limited information exchange phase, the actual hearing, and  
10 post-hearing settlement discussions. No written or oral statement made in the  
11 proceeding may be used as evidence or an admission in any other proceeding.  
12

13 (2) The information exchange stage should be brief, but it must be sufficient for  
14 each party to understand and appreciate the key issues involved in the case. At  
15 a minimum, parties should exchange key exhibits, introductory statements, and  
16 a summary of witnesses' testimony.  
17

18 (3) At the hearing, representatives of the parties present a summary of the  
19 anticipated evidence and any legal issues that must be decided before the case  
20 can be resolved. The third-party neutral presides over the presentation and may  
21 question witnesses and counsel, as well as comment on the arguments and  
22 evidence. Each party may agree to put on abbreviated direct and cross-  
23 examination testimony. The hearing generally takes no longer than 1-2 days.  
24

25 (4) Settlement discussions, facilitated by the third-party neutral, take place after  
26 the hearing. The parties may ask the neutral to formally evaluate the evidence  
27 and arguments and give an advisory opinion as to the issues in the case. If the  
28 parties cannot reach an agreed resolution to the dispute, either side may declare  
29 the mini-trial terminated and proceed to resolve the dispute by other means.  
30

31 (5) Mini-trials may be appropriate when:  
32

33 (A) The dispute is at a stage where substantial costs can be saved by a  
34 resolution based on limited information gathering;  
35

36 (B) The matter justifies the senior executive time required to complete the  
37 process;  
38

39 (C) The issues involved include highly technical mixed questions of law and  
40 fact;  
41

42 (D) The matter involves trade secrets or other confidential or proprietary  
43 information; or  
44

45 (E) The parties seek to narrow the large number of issues in dispute.

6 **§800.491. Settlement Agreement and Approval Procedures.**

- 7  
8 (a) Settlement Process. The parties' settlement approval procedures shall be disclosed by  
9 the parties prior to the negotiation, mediation, or other assisted negotiation and  
10 mediation process, unless the parties agree otherwise in writing. To the extent  
11 possible, the parties shall select negotiators or representatives who are  
12 knowledgeable about the subject matter of the dispute, who are in a position to reach  
13 agreement, and who can credibly recommend approval of an agreement.  
14
- 15 (b) Initial Settlement Agreement. Any settlement agreement reached during the  
16 mediation shall be signed by the representatives of the contractor and the Agency,  
17 and shall describe any procedures required to be followed by the parties in  
18 connection with final approval of the agreement.  
19
- 20 (c) Final Settlement Agreement.
- 21
- 22 (1) A final settlement agreement reached during, or as a result of negotiation,  
23 mediation, or other assisted negotiation or mediation process that resolves an  
24 entire claim or any designated and severable portion of a claim, shall be in  
25 writing and signed by representatives of the contractor and the Agency who  
26 have authority to bind each respective party.  
27
- 28 (2) If the settlement agreement does not resolve all issues raised by the claim and  
29 counterclaim, the agreement shall identify the issues that are not resolved.  
30
- 31 (3) A partial settlement does not waive a contractor's rights under the Texas  
32 Government Code, Chapter 2260, as to the parts of the claim that are not  
33 resolved.  
34
- 35 (d) Confidentiality of Mediation and Final Settlement Agreement.
- 36
- 37 (1) A mediation conducted under this section is confidential in accordance with  
38 Texas Government Code, §2009.054.

- 1  
2 (2) The confidentiality of a final settlement agreement to which the Agency is a  
3 signatory that is reached as a result of the mediation is governed by Texas  
4 Government Code, Chapter 552.

10 **§800.492. Request for Contested Case Hearing.**  
11

- 12 (a) If a claim for breach of contract is not resolved in its entirety through negotiation,  
13 mediation, or other assisted negotiation or mediation process, in accordance with this  
14 subchapter on or before the 270th day after the Agency receives the notice of claim,  
15 or after the expiration of any extension agreed to by the parties pursuant to this  
16 subchapter, the contractor may file a request with the Agency for a contested case  
17 hearing before SOAH.  
18  
19 (b) A request for a contested case hearing shall state the legal and factual basis for the  
20 claim, and shall be delivered to the chief administrative officer of the Agency or  
21 other officer designated in the contract to receive notice within a reasonable time  
22 after the 270th day or the expiration of any written extension agreed to pursuant to  
23 this subchapter.  
24  
25 (c) The Agency shall forward the contractor's request for contested case hearing to  
26 SOAH within a reasonable period of time, not to exceed 10 business days, after  
27 receipt of the request.  
28  
29 (d) The parties may agree to submit the case to SOAH before the 270th day after the  
30 notice of claim is received by the Agency if they have achieved a partial resolution  
31 of the claim or if an impasse has been reached in the negotiations and proceeding to  
32 a contested case hearing would serve the interests of justice.

9 meanings, unless the context clearly indicates otherwise.  
10

- 11 (1) Academic resiliency--A student's ability to persist and to academically succeed  
12 despite adversity.

- 14 (2) Academic skill intake assessment--A formal and/or informal assessment used at  
15 intake to gather information on a student's current knowledge and skills in  
16 specific academic areas (for example, literacy and numeracy). That information  
17 is then used to determine the student's appropriate instructional level as well as  
18 accommodations and/or remediation that the student needs.  
19
- 20 (3) Career Pathway--A combination of rigorous and high-quality education,  
21 training, and other services that:  
22

25
- 26 (B) prepares an individual to be successful in any of a full range of secondary  
27 or postsecondary education options;

- (4) Eligible participant--An individual who is over the age of compulsory school attendance, as prescribed by Texas Education Code, §25.085, and as required by the Agency, must:
    - (A) be a Texas resident;
    - (B) lack a high school diploma;

    - (D) be able to work immediately upon graduation from the program.
  - (5) Employability skills certification program--Refers to a certification in general skills that are necessary for success in the labor market at all employment levels and in all industry sectors. Employability skills include problem-solving, collaboration, organization, and adaptability.
  - (6) Half credit--The standard award of credit given for a course that lasts one semester, and which is based on the Carnegie Unit. When determining credits, qualified providers should consider instructional time plus the amount of time that the student would take to complete the coursework in a high school semester or academic year. In traditional education models, a student typically attends a class for 55 to 60 minutes a day for four or five days a week in addition to studying independently.
  - (7) High school diploma--A credential awarded by an entity, based on completion of all state graduation requirements as outlined in Texas Education Code, §28.025 and §39.023 and 19 TAC Chapter 74 (relating to Curriculum Requirements) and Chapter 101 (relating to Assessment).
  - (8) Industry-recognized credential--A state-approved credential verifying an individual's qualifications and competence and is issued by a third party with the relevant authority to issue such credentials (US Department of Labor, 2010). Industry-recognized credentials offered by qualified providers must align with the Agency's mission to target high-growth, high-demand, and emerging occupations that are crucial to the state and local workforce economies, and must reflect the target occupations for the workforce areas in which services will be provided. Qualified providers may also reference the list of industry-based certifications for public school accountability published by the Texas Education Agency.
  - (9) Learning Plan Development--The process by which an individualized learning plan is developed after student intake; it is maintained through coaching and mentoring.
  - (10) One credit--The standard award credit given for a course that lasts a full academic year, and which is based on the Carnegie Unit. When determining

1 credits, qualified providers should consider instructional time plus the amount
